CONCEPTS

Matured lime putty painting and sheathing form the noble network of our age-old know-how in building, the reflection and evolution of our culture throughout the centuries. The lime products we use fit in perfectly with modern design requirements in that they consciously conform to ecologically sustainable methods that totally respect our historical heritage in the building trade. The colors and warm, soft effects of our lime products arouse emotions and sensations in line with new design tendencies. The following images are designed to introduce you to the magical possibilities of lime putty in the hope that they will win you over to the beauty of a technique that will help you to turn your dreams into reality.

Wrinkles and grooves ready to receive myriad colours.

RIALTO MEDITERRANEO BAMBOO EFFECT

Decorative thick plaster for interiors based on seasoned slaked lime

Like the weft of my wall, weave and sew lasting beauty.

RIALTO ANTIQUA 1 “FRATTAZZATO” EFFECT
